From the SAL

Happy New Year,

Starting off this new year we are going to get back to focusing on fundraising. We have been getting by the last couple years but need to concentrate on building the coffers back up to support our \$3,000 in scholarships and \$2,000 shoe fund that we annually award.

Starting that off will be the eight weeks of Cornhole on Friday nights. Starting the first Friday of February. Flyers will be coming out soon. Have prizes to donate for the fun competition, let me know. We will have a new card reader at the club starting on the first. Scott has been diligently getting out the cards as the membership checks keep coming in. Thank you for sending in your dues. If you think you have paid and have not received you card, let me know.

Thank you for all you do for the legion and S.A.L
