From the Commander

Dear Post 93 Members,

As we start the month of September, we can say that we have gotten through another summer, whew. This is also the beginning (if we haven't already started) of the planning for upcoming fundraisers for our club. Again, I urge you to reach out to join a committee, participate in a meeting, or see how you can volunteer to assist in an event.

I would like to give a shout-out to our interim bar manager, Laura. If you haven't come into the club recently, I recommend you stop by. She has been working hard at making yummy bar food most nights, not to mention, at a reasonable price. She along with our great bartenders would love to see you when you get the chance. Thank you, Laura, Lori, Tim, and Spring. Also, don't forget to tip your bartenders!

Laura along with Dennis have been working on getting our new point-of-sale system up and running. A new point-of-sale system for our club will mean an easier way for us to take debit or credit cards at any of our functions as well as the ability to purchase merchandise and give your membership fees via card.

I look forward to seeing you all at the club or at any of our upcoming events.

Your Commander,
Angie Arreguin

From the Lounge

Greetings from the lounge,
Starting September 1st we will begin using our new Point of Sale system in the lounge, there will also be a price increase beginning on the 1st. Please be patient with the staff as we make this transition.

Birthday night will be Friday the 15th, I'll be roasting a turkey so please bring your favorite side. We'll attempt to start at 5:00, please note the time change.
We are doing a good job of having some sort of bar food each night, it's much appreciated by the bar crowd. If you're interested in providing a meal please reach out.

I'd like to give a big shout out to Spring, Tim, Sara, April, and Kala for being awesome bartenders for the Passer service. An additional thanks to everyone who helped that day, we couldn't have done it without you.

Cheers
Laura Leicht
Interim Manager

Auxiliary News

Hello Ladies

Join us in September as we start to plan our fall events, the annual Turkey Bingo dinner and the Holiday Bazaar, two of our major fundraisers for the auxiliary.
Meeting dates are September 13th for the board meeting and September 27th general meeting, both start at 5:00

Membership dues for the 2024 year are \$50.00, this increase was necessary to accommodate the requirement amount that get sent into the department. Renewal notice from the department should be arriving in the mail to members any time now. When renewing we are asking for your current e-mail address. There is a plan for the monthly newsletter to go out via e-mail by January 2024. With just a very few thru the U.S. post office. This would save the legion \$ and help streamline the newsletter.

We would like to have any Raffle Basket item that members may have purchased over the summer be at the legion by October 4th, that will allow time to make sure the baskets are full of goodies. Also if you want to make a monetary donation that will go toward items purchased for the baskets. These raffle baskets are a major part of the bazaar.

We would like to extend get well wishes to Dann Johannesen as he recently had bypass surgery.

Thinking of him for a speedy recovery
Auxiliary President
Patty Resch

SAL

S.A.L. Members,

The ninety days of August are coming to a close and we have been busy here at the Post. First and foremost a huge thank you to everyone who helped with Jim Passer's Celebration of Life on August 12th. It was an honor to assist the family with this service. Even with 200 chairs set up there was an estimated 100 people standing. This celebration was largely successful due to the partnership of the Lions Club who donated the use of a large tent and 100 chairs. If you see them out in the community please say thank you and support their fundraisers. We had several S.A.L, Post and Aux members, family, and community members assist with making this day happen, Thank you to all of them.

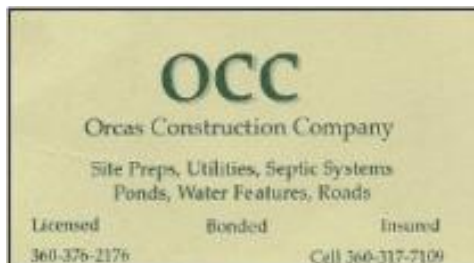

Our 2024 charters has been mailed in and we should receive 2024 cards soon. Several members have already paid up and we will mail the cards as soon as we get them. It has come to my attention from a few members that their years of service on their cards is inaccurate. Please let me know if you feel that is the case and we will try and get things fixed this winter.

New business for the S.A.L is that, after several years of kicking around the idea, the S.A.L is going to host a career fair here at the post. We will use this as a way to promote all the scholarships offered at the post, with the intention of raising funds for the scholarships the same day. Our tentative date is Oct 21. What we need is people that would like to present their trade/business in a booth style event. This will be an all ages/ all school invite event. If you are interested in setting up a booth to promote your industry or helping that day with the event, we intend on having some food for sale, please get in touch with me. If you have ideas to help this our next meeting is Sep 18th at 6 pm.

Thank you all,
Rich Harvey
