From the Commander

Greetings,

Heading into April is a great feeling. We start getting more sunshine, the flowers start to bloom and we get out and become more active coming out of winter. I look forward to seeing you all out and about, hopefully at our Post, either helping with clean-up and improvement projects or coming in for a tasty beverage.

Our club has done a great job making sure there is bar food every night, thank you! I have to say that I don't think I have had the same thing twice yet.

We had a good turnout for our first year of Easter Bingo or Bingo for Hams.. we are still working on the name. Thank you to those who came out and supported us and we look forward to putting some additional bingo games on the calendar.

We are starting to look at officers for our next fiscal year. Post members, please come in and participate on our board or at least attend a meeting so you know what we are doing within our community.

Look forward to seeing you all!

Welcome to the lighter side of the year,

As we come out of winter, we are completing our second year of indoor cornhole tournaments, which has become our most productive fundraising venture for the year. Playing on Saturday this year has led to less participants on a weekly basis, which means we will be reevaluating the night of play before next year. We were able to utilize the first membership drive for the year and host a chili cook-off on the 16th of March combined with the cornhole tournament. This event was well attended both by businesses and people entering chili and a great crowd to come judge and enjoy the chili and the tournament. A huge thank you to Jason Dean for getting the word out and the contestants entered. Sean, Liam, Rich and Jason for working hard through the event. A giant thank you to Katie O, Jasmin, and Kayla for jumping in and saving us when we became victims of our own success and to Laura and Spring for working the club. We also had a couple of our members donate the prize money to chili competition which helped put more money in the coffers. Winners were Brad Siep 1st, Dave Klaus 2nd, and a three way tie of Rebecca, Kala and Mindy for 3rd place. We and the Auxiliary gained new members as well that night, adding to the success. This fundraising effort over the last two months will be close to covering our annual hard costs.

We will be taking April off from any SAL sponsored events. Next meeting night is April 15th at 6pm. That meeting will have the selection of scholarship committee, please come if you would like to be on that committee.

This Newsletter is moving to email or the website, if you need a hard copy mailed, please let us know.
